

# CHRISTLICHES ZENTRUM HERRNHUT, e.V.

May 2008

***“I will bless you,” said God to Abraham.***

***Fact I:*** God WILL bless.

God WILL! That means He has already resolved to do it. No one can prevent Him from carrying this out. No one can dissuade Him from it.

***Fact II:*** I find that we possess a sort of “neediness” for blessing.

Lord, bless us with daily bread, with joy in our hearts, with spiritual outpouring, with loving relationships. We ask for these blessings because we continually need them. It is difficult to live without them! If you ponder this for a moment, you will realise that many other blessings are necessary for our life and for our joy. Isn't it good that God WILL bless? Our neediness and His will meet one another and everything works together for good!

In the Jesus-Haus we live daily in this “neediness” for blessing, and God also blesses us daily. Thanks be to God! (This is just as much a sigh of relief as a true “Thank you!”) We absolutely want to be a blessing for this region, for our town, and for the people who visit us. Following you will find a few pictures which are impressions from the “blessed” times that we have experienced in the last few months.

***God bless you all! We are so thankful for your friendship and for your prayers!***

## **EASTER: AT THE FOOT OF THE CROSS**

***What a blessing to recognise that we have been made righteous by God and that today He accepts us with His whole heart and loves us.***

## **WOMEN'S CONFERENCE: YOUR GENERATION- A BEAUTIFUL INHERITANCE**

***What a blessing! God has wonderfully created each woman, and each generation has precious gifts to pass on. These two days contained so much life and encouragement.***

## SMALL GATHERING OF GERMAN WORSHIP LEADERS

*We prayed through the night, sought the Lord, and worshiped together. It was such a joy and a blessing to get to know each other, to hear from God, to pray for the nation, and to receive fresh anointing and inspiration for ministry.*

*When the sun shines and you can work all day in the garden, it is also a blessing. The birds serenaded us as we dug new walkways, planted flower beds and seeded a new lawn. It was almost like a summer holiday. . .*

## RESTORATION WEEK

## PRAYER REQUESTS:

- *We are still in need of more staff; further info may be found on the website.*
- *At the beginning of June we are expecting a number of guests from Cyprus and from the United States. It is definitely a challenge for us to handle all of the practical responsibilities that come along with hosting such large groups. However, we absolutely love having all of these visitors and are expecting great things from God during this time.*
- *We've been watching the meetings in Lakeland, FL on God.TV. This has once again awakened our hunger and our hope that God will also powerfully pour out His Spirit here among us and throughout all of Germany. Pray for our region! We desperately need it!*
