

CHRISTLICHES ZENTRUM HERRNHUT e.V.

February 2009, Part 2

"The UNITE time was very valuable for me. I grew to better know and love God, the others, and myself. UNITE is a wonderful opportunity to discover and/or try out your gifts and to grow in the life of the church. Rating: Highly Recommended!"

(Susanne- Hamburg, Germany)

UNITE

UNITE is a (great!) program—now in its third year in the Jesus-Haus— for people who have completed a Bible school or discipleship training program. The goal of UNITE is to provide a platform for the next step of fruitful ministry. Often one comes to the end of a Bible school experience and thinks, "What next?"

UNITEs live in the Jesus-Haus, sharing meals, laughing, and praying together. They are actively integrated in the house of prayer and also work in a department of the church. They also receive regular mentoring and discipleship, take part in challenging community life, and have many other opportunities to grow in spiritual maturity.

UNITEs are not paid a salary but receive free room and board. After six months we pray together and talk about the next step of the journey. Some UNITEs stay on as part of the Jesus-Haus team, and we also have many possibilities to connect them with mission outreaches or with other ministries in Europe.

Join us!

We are looking for several new candidates for the UNITE program for the Fall of 2009. Applications may be requested through our church office.

For those who have not yet completed a Bible school or DTS we offer the DNA program. DNA is an 11-month, local church-based discipleship course for anyone wanting to invest a year in strengthening their spiritual foundation. More information is available at <http://www.czherrnhut.de/jesus-haus/training/dna/>.

Many blessings from all of us,

Frank & Andie Hottenbacher and the Jesus-Haus Team
