**GUEST PROGRAM
Jesus-Haus Herrnhut**

“Delight yourself in the Lord, and He will give you the desires of your heart. . .”
(Psalm 37:4)

Dear friends,

“Devote” in the sense of this Psalm means “Delight yourself in God.” He will give you what your heart is longing for! Seeking the Lord is never in vain. To that end, we want to support you and so we open wide the doors of the Jesus-Haus.

If the descriptions on the previous pages stirred something in you, we want to warmly invite you to the Jesus-Haus! We have a “Devote” team who is ready to serve you and answer your questions from the time you register and onward. During the time you are here, they are also available to pray with you or to help organise your time.

Many blessings,

Frank Hottenbacher
Pastor of Christliches Zentrum
and the “Devote” Team

PS: In order to avoid any misunderstanding, we do not offer any kind of Christian therapy. Counselling and psychological consultation are not part of the “Devote” Program.

WHAT ARE THE POSSIBILITIES?

1. Time for God

Come alone and take advantage of the opportunities for community prayer, quiet, and encounter with God. Our team has time for you and will help you to use the time well.

2. The Special Weekend

Come to one of our “Special Weekends.” In addition to the daily “Staun mal” worship time, there is a Friday night intercessory prayer meeting, a Bible seminar on Saturday afternoon, and the possibility to attend our Sunday morning service. You can take part in the various activities as you like and be spiritually refreshed here with us.

3. Ideal for Small Groups

Come with a small group of friends-- your home group, leadership team, or youth group-- , and use our facility to seek the Lord together corporately. If desired, our hospitality team is available to help arrange your time.

4. For the Practical Ones

Sometimes spiritual understanding comes the easiest when one is working with one’s hands at the same time. Individuals and groups both have the opportunity to help with the practical work in the Jesus-Haus. Yet the focus should remain primarily on “seeking the Lord” and not necessarily on the usefulness given through service.
