Dresden

Dresden has a beautiful, quiet airport and offers a very easy connection to Herrnhut.

- The bus stops are directly out the front door. Take Bus #80 to **Dresden-Klotzsche** train station. Buy your ticket from the driver. (Bus #77 also goes in the right direction, but you will have to change at least one time.)
- Alternatively, access to the S-Bahn (streetcar/tram) is found on the lower level of the Dresden airport. Buy a ticket at the automat directly by the S-Bahn. Enter Löbau as your destination. Take the S-Bahn #2 (in the direction of Pirna) 5 minutes to the **Dresden-Klotzsche** stop.
- *(You can check out bus and train schedules or buy your ticket ahead of time at www.bahn.de. The English version of this site may be selected in the upper right-hand corner. Enter "Dresden Airport" as your origin and "Loebau (Sachs)" as your destination.)*
- From **Dresden-Klotzsche** you will take a regional train (in the direction of Görlitz) to the **Löbau** stop. This will take about 1 hour. If you do not already have a ticket, buy one at the automat before you get on the train.
- *If the connection from Dresden-Klotzsche to Löbau is not favorable, it is also possible to take the regional train that goes in the direction of Zittau and get off at the **Oberoderwitz** stop. From here, you will need to be picked up. Check with us ahead of time about the possibility of a staff member picking you up from the train station. Please give a donation of about 5 Euros for gas.*

From Löbau to Herrnhut

- From **Löbau** take the bus #27 (in the direction of Zittau) about 15 minutes to the **Herrnhut-Zinzendorfplatz** stop. You may buy a ticket from the driver for about 3€. - *If you are arriving in Löbau late in the evening or on the weekend, there may not be a timely bus connection to Herrnhut. Check with us ahead of time about the possibility of a staff member picking you up from the train station. Please give a donation of about 5 Euros for gas.*
